## THE FOAM RANGERS

November 2016

Volume 36, Issue: 11

### Out (of) The Wazoo

Robert Brown, Grand Wazoo

So here we are. My last article as the Grand Wazoo of The Foam Rangers homebrew club. I told myself I wasn't going to cry (really!). But all good things must come to an end, right? It's time to pass the torch.

I am looking forward to the Homebrewers Holiday Party on December 11th at Eureka Heights Brewery. It is at this location where the Fez will be handed off. Hope to see you there!

Farewell From Page 1

I would like to conclude by saying thanks to everyone that contributed in 2016. The club relies on several folks to volunteer their personal time in order to achieve our goals and to have fun gatherings throughout the year. It is everyone pitching in and doing their part that makes and will continue to make this club one of the best around.

Peace Out.

# Foam Rangers Caught Rigging Dixie Cup

Brewsletter Ed. Who else would write this?

An investigative report by the Brewsletter Urquell staff has found that allegations about the Foam Rangers rigging Dixie Cup to be true. While other clubs, some in North Texas, might occasionally allege cheating and imply that certain beers or brewers were favored or that the beers were not properly given random numbers, our research has shown a much more nefarious method of operation that the club used.

One of the first questionable incidents (pictured below left) is when Grand Wazoo Robert Brown was allowed to open shipped entries. Instead of safeguarding them, the evidence shows that he instead maliciously shattered entries at will while launching into a diatribe about "those terrible clubs coming to take our Dixie Cup"

A short time later, someone slipped an entry into the "beer for drinking" cooler, and the entry later ended up on the sorting table (top right), cap off and beer being poured into glasses (right).

Review of casual photos gathered during the sorting event indicates that up to 3 individuals might have been involved in the scheme to drink the entry (see middle right photo).

# Foam Ranger Officer Meeting November 6, 2016

Denise Whitney, Scrivener

Brash Brewing Company  
2:00 pm  
3:00 pm, thanks to a ridiculously late Scrivener

In attendance: Robert Brown, Denise Whitney, Matt Crnkovich, Paul Porter, Phil Verdieck, Elsie Burgos, and my apologies to anyone I'm forgetting.

Subjection of discussion number one:

## Dixie Cup Reimbursement

As of this First Sunday meeting, there was an pending list of people requesting reimbursements that needed to be completed, as well as a few known people who are owed reimbursements but had not submitted their request.

If you are still due a reimbursement, please submit your receipts via email to Rich Goeggel, and cc Robert Brown.

Reimbursements are expected to be completed in full no later than the Holiday party on December 11.

Subject of discussion number two: 2017 officers

The main event for the November meeting will be the election of new officers. There are already some nominees for a few positions, and a few positions with question marks by who the next potential candidates are.

Robert sent email and Facebook post outlining all open positions and instruction to nominate via email.

Elected/voting positions include Grand Wazoo, Secondary, Pursuer, Scrivener, and At Large Board Member.

Other appointed/volunteer positions needed include Brewsletter Editor, IT Director, Competition Coordinator, and Dixie Cup Coordinator. It was noted that the most urgent need is the Brewsletter Editor replacement, as there will need to be a Brewsletter issued right around the corner in January.

Existing officers will officially transfer their duties at the Holiday Party, which takes place at Eureka Heights Brew Co on Sunday, December 11 from noon-5pm. \*\*Reminder about the holiday party: bring a new, unwrapped toy to donate to Toys for Tots\*\*

Maybe the real motivation for why the Editor wants out of this role.
